**CALAVERAS COMMUNITY FOUNDATION ANNOUNCES AVAILABILITY OF  
COVID-19 GRANTS**

In response to the COVID-19 health emergency, the Calaveras Community Foundation (CCF) has established a program to provide grants to local non-profit organizations providing support in this time of need. For more information, non-profit organizations may contact CCF via email at: [info@calaverascommunityfoundation.org](mailto:info@calaverascommunityfoundation.org), or by phone: 209/736-1845.

CCF is also seeking donations to help support this effort. CCF was very grateful for the support during the Butte Fire and donations received during that time were turned into grants, helping many residents get back on their feet. Our hope is to again be able to give out many grants through the generosity of those living in the County who are able to financially assist us.

You may donate either by sending a check to CCF at: PO Box 1436, Angels Camp, CA 95222, or via PayPal through our website: [www.calaverascommunityfoundation.org](http://www.calaverascommunityfoundation.org). All donations are tax deductible to the extent provided by law. CCF's tax ID number is 68-0472056.

If you have questions or if your organization would like to apply for an assistance grant, please contact CCF. Please remember that only non-profit groups may apply, as CCF is prohibited by the IRS from giving money directly to individuals.
