

January 11, 2022

Dear Potential Irish Day Vendor,

The Murphys Business Association and Murphys Firefighters Association look forward to welcoming back vendors at our 2022 celebration. As you might imagine, things will be a little different this year.

We will be reducing the number of vendors to allow attendees a bit more room to spread out while on the street. As in the past, preference will be given to our local member businesses when placing booths. We will attempt to accommodate booth location requests, particularly for our long-time vendors, however our new layout of the event, may require us to adjust your location. We will also be sending confirmation emails when your application is accepted but will not cash the checks immediately.

As before, Irish Day is a rain or shine event, but we reserve the right to cancel the event if we are expecting extreme weather and exceptionally low snow, as happened recently. If the event is canceled by the organizers for any reason, your fees will be refunded.

You will also notice that our booth fee structure has changed so please read through the applications carefully.

Thank you so much for your patience and understanding as we all try to get back in the groove!
