

Greetings,

Thank you for participating in Murphys Irish Day 2023. One free vendor parking pass will be issued when you check in at the event. **Please display the parking pass with the booth number visible in the windshield of your vehicle.** Your vehicle may be towed from the vendor parking area if this parking pass isn't visible.

Vendor booth spaces are assigned based on many factors. When possible, space requests have been honored, however space numbers have changed. The layout of booths along Main Street is challenging. Our priorities are for the safety of you and your employees, the parade participants, and the thousands who attend each year as well as the welfare of our local businesses. Please help us out by cooperating during set up which we know can be challenging. We want everybody to have a great day and you can help by reviewing and following all the guidelines.

Check in at Main Street and Big Trees Road is between 6-9 a.m. No vendor vehicles will be allowed in after 9am. You must be completely set up and your vehicle removed from Main Street by 9:45 am. We enforce one way traffic on Main Street during both set up and tear down with traffic moving from the Big Trees intersection toward historic downtown.

Green dots are painted on the street indicating booth spaces with numbered orange cones in the middle of your assigned booth. This makes it easier for you to locate your space during setup. Please leave the cone on the street for pick-up.

- You must unload and remove your vehicle from the street so other vendors are able to do the same.
- Set-up of your booth needs to happen without your vehicle.
- The street must always remain open so others can have access to set-up their booths.
- **DO NOT BLOCK THE STREET**
- If you arrive after 9 a.m., you will not be allowed to enter the street in your vehicle and must carry your items to your booth space.
- Please stay within your assigned booth space. Room is left between some spaces for access to businesses. This is not for you to expand your booth.

Just a reminder, all
ART, PHOTOGRAPHY & CRAFT VENDORS
must produce their own handcrafted items.
You may not offer anything for sale that says MURPHYS IRISH DAY or includes the
MURPHYS IRISH DAY logo.

The Murphys Business Association and Murphys Fire Fighters Association appreciate your participation in this worthwhile event!
