

## MBA Membership Renewal Time

July 2024

Murphys Business Owners,

It's that time again already, time to renew your membership with the Murphys Business Association. Our membership and fiscal year run from July 1 through June 30 each year, but we do not consider dues delinquent until September and we start cleaning up our online listings in October. If you already use our automatic payment system, you have a custom membership year, and this letter doesn't apply to you. We encourage everybody to consider doing that. Our dues will remain the same this year, and we expect them to remain at the same level for the next couple of years.

Payment may be made online at [visitmurphys.com/join-mba/mba-membership-payment/](https://visitmurphys.com/join-mba/mba-membership-payment/) or by mailing your check to us at the address at the bottom of this form. Membership renewals for your primary business are \$150/year and \$75/year for each additional business under the same ownership. **There is also the option to pay your dues quarterly using our auto-renewing PayPal option.** New members will want to fill out an application before proceeding to the payment page. You may do that at [visitmurphys.com/join-mba/mba-membership-application/](https://visitmurphys.com/join-mba/mba-membership-application/). ***There is no need for current members to complete an application.***

Your membership allows the MBA to continue marketing our Murphys area businesses and attractions, develop and improve our events, provide timely information to our members, advocate for our businesses with the County, pay for trash pick-up, help keep the public restrooms open, and support other community organizations and improvement projects. Please help the volunteers by renewing early and saving the MBA the time and expense of sending out multiple reminders.

Thank you in advance for your continued support of the MBA,

The MBA Board of Directors
