December 5th, 2024

Dear Returning or New 2025 Irish Day Vendor,

The Murphys Business Association and Murphys Firefighters Association look forward to hosting you on Saturday, March 15th, 2025, during our Annual Murphys Irish Day celebration.

We will be limiting the number of vendors again this year. As in the past, priority will be given to our local member businesses, returning vendors, local artisans, and food vendors when placing booths. We will attempt to accommodate vendor location requests, particularly for our long-time vendors; however, it may be necessary to adjust your location, or you may be in the same location, but it may have a new place number. We will send confirmation of receipt emails when your application is received but may not cash the checks immediately or begin to verify acceptance until mid-January. Please note that processing fees increase as the event date gets closer.

As always, Irish Day is a rain-or-shine event. We reserve the right to cancel the event if we expect extreme weather and exceptionally low snow or if there is a public health or safety issue. If the organizers cancel the event for any reason, your full fees will be refunded.

Our booth fee structure remains the same, except for increased fees for food vendors. Due to insurance requirements, we must receive your insurance certificates listing the County of Calaveras and the Murphys Business Association as certificate holders before the event. All applicants, even long-time vendors, should provide a description of your booth and items for sale along with photos. Submitting everything by email is encouraged, but snail mail is fine, too. Please include both your name and your booth name with any correspondence so we can keep everything together.

Given our limited number of vendor spaces, we will be evaluating all applications to prioritize handmade, Celtic-themed, great food, and artisanal items while making sure we have a good variety of everything. As a reminder, mass-produced and factory-made items are not allowed at this event. Murphys Irish Day branded items and alcohol may not be offered for sale.

Please take note of our new vendor coordinator team, Susan (you may have met her last year) and De Ann, and their phone numbers. They'll be your best bet for getting specific vendor questions answered quickly, but we encourage you to use our email system for most questions.

Thank you so much for your interest in our event,
