

Train Your Employees, Get Reimbursed.

Who's Eligible?

California employers who pay the Employment Training Tax (ETT)

Full-time employees receiving job-related training

Businesses in virtually every industry

How it Works

1

We'll help you determine eligibility and complete the paperwork

2

Complete approved employee training

3

Receive reimbursement after training is completed and invoices are submitted

Employees must complete 8-200 training hours

Employees must be employed 90 days after training

Receive reimbursement for retroactive training dating back to January 1, 2026
